A master development by Nakheel, Jumeirah Village Circle (JVC) is a young, vibrant community designed to cater to the needs of a modern, multi-cultural society. The community is strategically positioned at the heart of the Dubai metropolis, towards the coastal side of Dubai Marina and Jumeirah Beach. This development is strategically developed between Mohammad Bin Zayed Road and Al Khail Road, two of the major highways in the UAE, allowing residents to easily commute to other vital locations in the emirate.

Jumeirah Village Circle is a promising residence looking for townhouses, villas and apartments in a vibrant and thriving area, a variety of family-friendly amenities while also close to all the important conveniences such as Jumeirah Village Triangle (JVT). The sprawling and lush green areas make this neighbourhood an easily accessible community, surrounded by developed master communities such as schools, malls, restaurants, and hospitals.
